

Seminar on Improvement of Institutional Repositories

On June 20, 2025, within the framework of the DIRNA project, a seminar titled "Improvement of Institutional Repositories through Academic Staff Support" was conducted by Dr. Raziya Isayeva, Dean of the School of Economics and Management.

Khazar University staff and representatives from partner universities participated in the seminar.

The seminar discussed the importance of Institutional Repositories, the key role of academic staff in the development of the university's Institutional Repository, interdepartmental collaboration, storage of materials in the repository, and compilation of quality research work on the platform.

At the end, each partner university was assigned to prepare an action plan for promoting their Institutional Repositories.
